Tuition Rates for New Students 2008 - 2009 School Year

Dear Parents,

We are very excited and looking forward to the 2008-2009 school year. Registration will open to new families on March 3, 2008.

We will be using the RenWeb School Management Program for tuition collections. All paper work must be completed before your registration will be accepted. This includes the nonrefundable \$300 registration fee. The registration fee is due with the registration form or an additional \$150 will be charged as a late fee.

All students new to Good Shepherd School must supply us with the following information at the time of registration:

- Birth Certificate
- Baptismal Certificate, if Catholic
- Current Shot Records
- Latest Report Card for 1st - 8th grade
- Latest Copy of Standardized Test Scores for 1st - 8th grades

Registration cannot be completed without all of these documents

Registration fee: \$300 per family: The registration fee helps to defray the startup costs, including books, supplies, and budget items that must be paid before tuition payments start. The registration is nonrefundable. Note: *If the registration fee is not paid when you register your child(ren), the registration fee will increase to \$450.*

A commitment to contribute \$150 per family towards Casino Night: This spring fundraiser helps to make up the difference between the actual cost of educating a student at Good Shepherd School and the tuition charged per student, which is approximately \$546 per child.

Testing: There is a \$50 testing fee for all students in Kindergarten and new students in grades 1-8.

Kindergarten - All students will be tested during the first and second weeks of May. Parents will be contacted by the office to set up testing. This test determines readiness for kindergarten and helps us prepare a program that best meets the children's needs.

Grades 1-8 - The office will contact new students to set up a testing time. Students transferring from another Catholic school may have testing waived based on Standardized Testing results. The principal will make this determination. Testing for 1st - 8th grades helps us to assess where the student's strengths and weaknesses are in order to make sure that we can provide the proper environment for the student. The principal will notify the parents regarding the testing results.

Extended Day Program: An after school care program is available for an additional charge per day or by the week. See the Extended Day information sheet to determine your day care needs. There is a \$20 registration fee to sign up for this program.

Lunch Program: Good Shepherd School offers a hot lunch program through Twelve Oaks Catering. There is an additional charge to purchase lunches on a daily or monthly plan.

Uniforms: Each student in Kindergarten through 8th grade is required to wear a uniform purchased only through Parker Uniform. Prices can be determined by contacting Parker School Uniform at 214-324-2483 or going to their website www.parkersu.com. There will be a discount day in June to purchase uniforms and shoes at a 10% discount.

Volunteering: All families are required to volunteer 25 hours in the Good Shepherd Community or to donate \$500 to the parish to qualify for Parish Supporter Tuition. Parents and their children may combine their volunteer efforts to complete the 25 hours which must be logged in the volunteer book at the office. To avoid the \$500 assessment, volunteer hours must be completed by April 30, 2009.
