

## Good Shepherd Catholic School Summer Reading List

Dear Parents,

In an effort to better prepare our students for the upcoming year, we have adopted a summer reading list for grades 4 - 8. To find the book for your child's grade level, go to the page of the grade he or she will be entering in the fall. Each grade will have one book, which is required reading for the summer. This will be the novel that the students will begin the year studying. It is suggested that you purchase this book for your child since he or she will be using it in class for the beginning of the year. There will only be one required book for the 4<sup>th</sup> grade. The 5<sup>th</sup> through 8<sup>th</sup> grade will have one required book to read for class discussion and then they will be required to read 2 other books of their choosing from the summer reading list. All of these are easily found in your local library or bookstore. Please encourage your child to choose books that they find interesting and that they will enjoy. Thank you for encouraging your children to continue their learning during the summer.
