Dear Parents,

You may know that Good Shepherd School has been participating in federally funded programs for the past several years. Federally funded programs which provide services to students are E-Rate, Entitlements I – IV, Individuals with Disabilities Education Act (IDEA), and debt forgiveness for teacher education loans.

We need your help qualifying for the largest funding allowable by providing us with some very general information. Please take a minute to fill out and return the attached survey to Mrs. Guadalupe Hernandez in the office to complete your 21-22 registration. This information will remain confidential and will be reported only as a total group, not by individual families.

We need everyone to return this survey, not just those families that fall within the income levels described, in order for the survey to be considered valid.

The income guidelines on the attached survey are the same as those used for participation in the Free and Reduced Lunch Program. However, since responses to the survey will be kept confidential, answering yes to any of the questions on the attached form will not make your children eligible to receive Free or Reduced price lunches.

Thank you for your participation in helping Good Shepherd School stretch its resources to best serve all our students. If you have any questions, please call our office at 972-272-6533.

Thank you,
